

# WORLD PEACE HOLOGRAM SESSION

September 1<sup>st</sup> 2018

## Session Notes for Make Peace Personal Facilitated by Carolyn Winter Holographic Coach

### ENTRAINMENT - RESONANCE REPATTERNING

Entrainment occurs when one or more fields of energy flows in step with each other = just as all of the sunflowers in the picture above face the same direction toward the sun. When coherent fields of energy are entrained, the amplitude of the energy wave doubles providing more energy for all participants than on their own. In this Repatterning we resonate with what is possible for entrainment with others that creates world peace inside and out.

### NEW ISSUES *(these issues proxy all of the issues submitted for repatterning to date)*

## The Session is Complete

“The statements have cleared and the session is complete. We are now “ON” or resonating with the positive and life affirming patterns and cleared or “OFF” for the negative or non coherent patterns. “ – Carolyn Winter

**INTEGRATE THE SESSION** - Remember what we resonate with is what we experience. Our resonant energy impacts the world!

Take time to reflect on one or two of the patterns in this session. How do you now see peace improving in the world? How are your intentions manifesting?
